Psychosomatic Aspects of Injuries + Structural Faults

3-4 October 2015

@ Arora Hotel, London Gatwick Airport

Arora Hotel, Southgate Avenue, Southgate, Crawley, West
Sussex, RH10 6LW

Psychosomatics Conference Programme

Saturday 3 + Sunday 4 October 2015

Saturday 10am – 6pm, Sunday 9am – 4pm

This seminar will focus on the emotional side of the triad of health.

In order to treat with a truly holistic approach to health, skills for verbal and non-verbal communication are necessary in our daily clinical work.

Using the powerful tools of Applied Kinesiology, we can track down symptoms to the most important underlying health issues in the patient, which will often be injuries or traumas the patient experienced at some point in his life. These issues will not only have powerful structural and biochemical impacts but important emotional aspects as well.

This seminar will cover:

- How we can perceive and grade the emotional state of our patient during a treatment
- Psychosomatic aspects of Injury Recall treatment
- The basic principles of communication and NLP for establishing a therapeutic relationship with the patient
- Establishing therapeutic communication on emotional issues
- Guidance of the patient through the therapeutic process without re-traumatising them
- Conflict management
- How to deal with crisis situations
- The importance of (dis-)beliefs, their link to injuries and how to improve yourself by getting them out of the way
- The use of homeopathic remedies, Bach flowers and acupuncture points in the process of emotional clearance using Injury Recall Technique will be demonstrated.

Guest Speakers ~ Martin Brunck and Dieter Becker

We are pleased to welcome Dr Dieter Becker and Dr Martin Brunck to London for their third time teaching for ICAK in the UK. Since 2011 they have developed innovative and highly effective methods of treating retained injury patterns, including their structural, nutritional and emotional sequelae.

Dr Becker and Dr Brunck work in their offices in Hamburg, Lüneburg and Hanover in association with AK-trained Dentists and physicians. They have been members of the board of certified teachers of the ICAK since 2001 and teach AK seminars in Germany and Europe. Please see attached info with lots more info on their specialities and experience.

The Venue

The course will be held at the Arora Hotel, London Gatwick Airport

We have negotiated a bed and breakfast deal of £80 for delegates which can be booked by calling the reservations dept. on 01293 555111 and quoting the reference ICAK/021015.

This is available on the Friday and Saturday evenings. The rooms being held on this deal will be released 2 weeks prior to the event, so please book your room by 18th Sept so you don't miss out on the discounted deal.
